About JA of Maine

Junior Achievement programs help to prepare young people for the real world by showing them how to generate wealth and effectively manage it. How to create jobs which make their communities more robust, and how to apply entrepreneurial thinking to the workplace. Students put these lessons into action, and help strengthen their communities.

JA in Maine has taught nearly 9,000 students throughout our state. In partnership with local businesses and educators JA brings the real world to students, opening their minds to their potential and preparing them for the world of work.

Junior Achievement of Maine's office is located at 82 Elm Street in Portland, Maine. From this hub, opportunities are created for thousands of Maine kids in classrooms throughout the state of Maine, to participate in the JA Experience.

Running for JA

As beneficiaries of the TD Bank 2010 Beach to Beacon Race, JA of Maine has a limited number of racing bibs available.

The premise is for non-profits to use these as fundraisers. It is an honor to have been chosen and a real gift to be able to benefit from the proceeds.

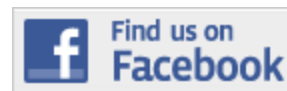

We ask that anyone who wants one of our coveted numbers raise a minimum of \$500 for JA of Maine.

Our deadline for fundraising is July 15, 2010
